### III. Application Process

#### 1. Application Process

Admission	Document Review	Interview	Notes
Freshman and Transfer	Qualification Screening	100%	-

#### 2. Selection Criteria

Inha Technical College makes a comprehensive evaluation of each applicant's academic achievements, activities and potentiality based on his or her submitted documents and a performance test, taking into consideration the number of foreign students allocated for each department.

### IV. Eligibility for Application

#### 1. Basic Qualifications

Classification		Qualification
Type 1	Foreign student with parents who are both non-Korean	The applicant and both his/her parents should have non-Korean nationality and (Provisional) Graduates of high school in Korea or abroad
Type 2	Non-Korean who has completed 12 years of primary and secondary education abroad	The applicant should be a person who has completed 12 years of primary and secondary education abroad, which is equivalent to primary and secondary education in Korea

##### ☐ Common qualifications

: According to Article 11-2 of the Nationality Act (regarding the legal status of those with dual nationality), starting on January 1, 2011, those with dual citizenship are treated only as citizens of the Republic of Korea and therefore they are not eligible for this track.

: For those students whose country's formal education from elementary to high school lasts less than twelve years, those who have completed the full school years are also eligible.

##### ☐ Non-Korean who has completed 12 years of primary and secondary education abroad

: For non-Koreans who have completed 12 years of primary and secondary education abroad, those who enrolled in foreigners' schools abroad and in Korea alternately for 12 years of education are not eligible because those 12 years are not considered overseas school attendance.
